

Photo and Video Consent Form

Introduction

The Wycliffe Global Alliance is a global community of participants in God's mission, who work to see individuals, communities and nations transformed through God's love and Word expressed in their languages and cultures.

We use photographs and video to enable the Alliance and our partners to tell stories and illustrate the work we are involved in. We value the dignity of every individual and hereby seek your permission to use your image as described below. Thank you for supporting the mission of the Wycliffe Global Alliance and its organisations and partners by allowing us to use your image respectfully and responsibly.

- If selected, my image will be stored digitally, and may be shared with authorised users for purposes consistent with the mission and values of Wycliffe Global Alliance.
- I will not receive any payment or royalty for the use of my image.
- I may withdraw my consent at any time by contacting Wycliffe Global Alliance at info@wycliffe.net, and reasonable efforts will be made to stop using my image in new future materials.
- This consent is effective from the date of signing and will remain in effect unless and until revoked by me in writing.
